

Upward Bound Community College-Southeast Campus Director Retires

Dr. Maude Ferguson, Upward Bound Director (sitting), has served as a LFL volunteer for over 10 years. Her outstanding service exemplifies the true meaning of a volunteer. Her staff mentioned words such as compassionate, caring, leadership, and education. These are all character traits in our LFL Program. She truly will be missed by her staff, students, as well as LFL.

HSCO Explorers

A special thanks to our Harris County Sheriff Office Law Enforcement Explorer Posts 40, 41, 42, 44, 45, and 46. Deputy Terry Garza (female on the end) is the Explorer Advisor and she was very instrumental in getting the Posts involved. The students assisted with setting up the equipment as well as breaking down the equipment. The Advisors controlled the traffic and provided rides for participants who could not finish the 5K. Some Advisors enjoyed the powder as well as runners. This event would not have been successful without their assistance.
