3. Glue the stars to the string by folding the tip of one of the star points over the string.

4. Use your star string as a decoration once the stars have dried.

# Tag Time

## Materials:

None

## Instructions:

Determine who will be “it” and the Cub Scouts can play these two different versions of “Tag.”

**Sitting Tag** – Played like regular tag, but if you get tagged by ‘it’, then you sit down and hold still. If you are able to reach and touch someone who has not yet been tagged, then they sit and you are back in the game.

**Frozen Tag** - if you're tagged by 'it' you freeze in whatever position you are in until you are rescued. Here's a twist on the “thawing” of a person - both of the person's hands have to be tapped before they are not frozen.

Have the Cub Scouts come up with their own version of “Tag.”

## Respect the Flag Closing

This is written to include Webelos Scouts that are working on the Building a Better World Adventure. Any Scouts can participate.

**Webelos Scout #1:** How do we show respect to the flag of the United States of America?

**Webelos Scout #2:** We fly the flag to show respect. We can fly it every day and we can fly it on special holidays such as Memorial Day, Flag Day and Independence Day.

**Webelos Scout #3:** We salute the flag to show respect. We can salute the flag when we are in uniform. If we are not in uniform we show respect by putting our right hand over our heart.

**Webelos Scout #4:** We take care of the flag to show respect. We fold the flag carefully to show respect. We also make sure to never let the flag touch the ground.

**Webelos Scout #5:** We retire old flags to show respect. When a flag is worn out beyond repair, we burn it completely on a modest size fire as part of a ceremony.

**Webelos Scout #6:** May we always show respect to our country, by respecting our country's flag.
